

NOVAS

CHRISTMAS JUMPER DAY

This Christmas, supporters and people like you are coming together to support NOVAS and those experiencing homelessness and addiction.

By wearing your Christmas jumper to work, school, or within your community group you will help to raise vital funds for NOVAS.

Here's how:

- Pick a date that works best for you and ask everyone to wear their Christmas Jumpers
- Set up an online fundraising page [here](#) and download your fundraising pack from our website
- Get everyone involved and raise vital funds for NOVAS
- Spread some Christmas cheer and your pics on social media

Join in the fun, spread some Christmas cheer, while making a real impact. Every donation makes a massive difference and supports the most vulnerable people in our community.
