This is an eight-bed facility supporting clients with varying needs. Situated in a quiet rural setting, it permits clients time and space to address their issues. The service accepts referrals from various homeless services in Kerry, particularly the Kerry Homeless Information Centre. In Knockree House there is an emphasis on providing support and accommodation for people who are homeless with mental health issues.

NOVAS is a Trauma informed practice organisation and the principles of collaboration, diversity, respect and trust are embedded in our way of working together.
