NOVAS Limerick STA services work in collaboration with the Limerick Homeless Action Team in response to the increasing number of adults seeking homeless accommodation in Limerick city. The service provides temporary accommodation for single adults. Clients who present to the service are often at risk of rough sleeping. It provides a safe, warm and dry place for people to sleep on a nightly basis, while longer term accommodation is secured.

NOVAS is a Trauma Informed practice organisation and the principles of collaboration, diversity, respect and trust are embedded in our way of working together. Our services are provided through support of our partners in local government through the Local Authorities, HSE, and other donors and funders
